## 2007 Overseas Mining Trip Chatree Gold Mine & Padaeng Zinc Mine Thailand

### 2nd/Final Notice

The response to the 1st Notice about this year's mining trip was quite good - so far, there are 14 who will most likely, when asked to, make a firm commitment. There is therefore room for a few more.

There is a slight change to the itinerary as follows :

- Wednesday 17th October - evening flight to Bangkok and stay overnight in the vicinity of the airport
- Thursday 18th October - early morning flight up north to Sukhothai. Visit to Chatree Gold mine. Stay overnight in Sukhothai.
- Friday 19th October - early morning drive to Mae Sot and visit the Padaeng Zinc Mine. Stay overnight in Mae Sot.
- Saturday 20th October - visit the Mae Sot Gem Market and in the afternoon return to Bangkok via Sukhothai. Stay overnight in Bangkok.
- Sunday 21st October - return to Hong Kong in the afternoon.

Remember that Friday 19th is a public holiday in Hong Kong.

You will be pleased to know that the Branch Council has generously agreed to a subsidy of \$1000 per head for IoM3 members attending the trip.

Please note that this will be the **last** notice. If you are interested in participating please complete the form below and e-mail back to Norman Woods at [nfh11428@netvigator.com](mailto:nfh11428@netvigator.com) by Monday 25th June **at the latest**.
